## Jimmie Rodgers, "[Sleep Baby, Sleep](#)" Lyrics

Sleep, Baby, sleepy  
Close your bright eyes  
Listen to your mother, dear  
Sing these lullabies

Sleep, Baby, sleepy  
While angels watch over you  
Listen to your mother, dear  
While she sings to you

Sleep, Baby, sleepy  
Angels watching you  
Listen to your mother, dear  
While she sings to you
