

Jimmy Witherspoon, “[Real Ugly Woman](#)” Lyrics

Well, she's a real ugly woman
(You got it daddy!)
Don't see how she got that way
Yes, she's a real ugly woman
(How you like that?)
Don't see how she got that way
Yes, and every time she comes around
She runs all of my friends away
Well, she's got great big teeth
(Yeah, yeah, yeah)
Yes, and they're out of line
She's 300 pounds of meat
And she's my female Frankenstein
Yes, I love that woman
Yes, and she's ugly as can be
Yes, I love that woman
And I know my baby loves me
Well, she ain't built for power
(How's she built?)
She ain't built for speed
But that womans built for comfort

ONMUSIC ROCK

And that's what every good man needs

Yes, she's an ugly woman

Ugly as she can be

Well, I love that ugly woman

And I know that woman loves me

Baby, yes, that woman loves me
