Joe Hill Louis, "[Boogie in the Park](#)" Lyrics

Drivin' my baby
Drivin' my baby
Boogie in the park
Boogie in the town
Boogie in the park, wanna boogie 'til the sun come down

Drivin' my baby went 'round and 'round
Me and my baby down to boogie all night
Well we boogie in the park
Boogie in the town
Well we boogie in the park, wanna boogie 'til they drive us out

Me and my baby used to fight
Now me and my baby get along alright
'Cause we cruisin' in the sun
Cruisin' in the sun
Cruising in the sun, we be cruising to the break of dawn

Boogie, woogie
Boogie, woogie
Boogie in the park
Cruisin' in the sun
Boogie in the town, wanna boogie-woogie all night long

Me and my baby used to fight
Now me and my baby get along alright
'Cause we cruisin' in the sun
Cruisin' in the sun
Cruising in the sun, wanna boogie-woogie all night long
